Happy Dell Park---The concrete floor has been poured. Although time is running out hopefully the walls of the restroom building will get built before it snows.

Annual Christmas Party--TJ's will host our Club Christmas Party December 7. The price is 10.00 per person. Social hour will begin at 2pm and whatever finger food you wish to share will be welcomed. We will try for a 4pm dinner, menu the same as last year. Instead of doing our Kris Kringle we are asking members to

donate to the food drive, we will have the Club trailer parked at TJ's for food donations which will also be open for the public.

Contact Doug Unzeitig 738-6534 for reservation and payment by November 25th or send payment to LRWC, P.O. Box 806, Kettle Falls, WA 99141, or sign up at the Nov. meeting. Raffle Tickets for 1.00 will be sold with a max of 10 tickets per person.

Fall Fishery---Although not a great number of anglers have been fishing there are lots of trout and walleye to be caught. The trout sizes are in the 14 to 15 inch range. Walleye are mostly over 16 and fat. The lake level is now full.

Last week the rainbow trout were transferred from the Sherman Creek Hatchery to the net pens. They will be tended to throughout the winter and spring until released once the lake is refilling and reaches 1265 elevation.

The past 2 months the Tribal Fisheries crew has been gillnetting sturgeon and tagging them. Sherman Creek Hatchery has been raising sturgeon from fingerling size, this summer, in hopes of releasing 9 inch sturgeon after the first of the year.
