Presidents Report: Fishing has been good at China Bend, lots of fish, but mostly small. Jim has been checking in a few fish per boat at Kettle Falls Marina, 12" to 15". The net pen fish have been released at Sherman Creek. Once they get to 5 fish per pound they are released. Lake is coming up about 1 ft. per day. Reports are that they are still catching 24" to 25" kokanee around the mouth of the Spokane River South, mostly on top yet and mostly wild fish.

June 11th Casting for Kids at Thomas Lake, be sure to volunteer.

Tournament Board Meeting June 6 at 6PM Kettle Falls Gun Club. Final wrap up for the Governor's Cup Walleye Tournament. **Club members may attend also.** We still need shuttle drivers for Saturday and Sunday. Contact Clyde Reneman at 732-6679.

This painted saying on the boat ramps on Lake Roosevelt. The Dept. of Ecology is spending money to get the word out to Washington State boaters about the Zebra mussels. We currently have no invasive species in the lake and with due diligence and awareness we hope to keep it that way for years to come.

The club will be having a pig roast on July 16th between 3 & 4 at the gun club. It is pot luck with the club providing the pig. All club members are invited.

Ron Charlton (left) and Don Ghramm won the Banks Lake Tournament last weekend. Caught some big fish

Congratulations!
