Our Christmas party was at T.J.'s on December 4<sup>th</sup>. More than 50 were in attendance, so it was another great event. The club raised \$610 for the Kettle Falls Food Bank. Raffle winner was Dee Unzeitig (the Ruger 10/22)

**Lake Roosevelt National Recreation Area (NPS)** is hosting a public scoping meeting at the Community College in Colville, 985 N. Elm St. on December 20, 2016 at 6:00pm.

The focus of this meeting is to discuss the expansion of a variety of outdoor recreational opportunities and a forest health project near Rickey Point. Preliminary recreational options being considered include: development of a disc golf course, installation of a traditional or 3-D archery range, expansion of the "Park's" trail system, and development of a Kettle River Water Trail for non-motorized watercraft.

The next meeting is Jan. 10, 2017.

Ron Charlton, angler of the year, will be the guest speaker with information on walleye techniques on Lake Roosevelt and other bodies of water.

This will be secret information that you really do not want to miss so we encourage everyone to attend.

Trout fishing has been good and the walleye fishing is starting to pick up but remember that all fisherman are liars.
