We had a good turnout for the club Christmas Party last month. About 50 people attended and everyone seemed to have a good time with good friends, good food and good raffle prizes.

The club elected a new president, Rick Miller and a new board member, Kent Dickinson with the rest of the officers remaining the same as last year.

The club is planning to have a special speaker each month, and this month's speaker will be Ron Charlton, "Angler of the year", with information on walleye techniques on Lake Roosevelt and other bodies of water. This will be secret information that you really do not want to miss so we encourage everyone to attend.

February's speaker will be Mike Cook, winner of the 2016 "Ball and Chain Tournament"

March's speaker will be Don Ghramm.

We are going to begin preparation of the Add book for the 2017 Governor's Cup, so the advertising committee will begin planning with a meeting to be called in this month, more volunteers are welcome, since more hands make light work.

Fishing has been good if you can handle the cold weather. Ling Cod fishing at the mouth of the Colville has been productive, Trout fishing from the bank has also been pretty good and Walleye fishing has produced some large walleye.

Don Ghramm caught this 16 lb. northern pike Dec. 31st on Lake Roosevelt.
He also said that the fishing has been good.

The ladies have talked about putting a recipe a month in the newsletter. So every month we will ask someone else to submit one and I guess the first month was mine.

Dee Unzeitig's Calico Beans Recipe (crock pot)

Facebook: If you have anything you wish to share with us post it on our Facebook page. Send your recipes, cartoons, jokes, pictures of your fish, etc. Luke or Val Schroeder at northlakerv@gmail.com can help you get stuff posted.

CLUB STUFF AVAILABLE:

The Club has an underwater camera available for club members to use. We also have a pretty good inventory of fishing videos available to members. We have 5 inch color decals for interior or exterior placement of the Clubs logo. They work great on a boat, or bumper, or inside a window. We also have a set of GPS training booklets, and Walleye fishing booklets.
